1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of DUke Power that is seeking 17% rate hike.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This is the wrong time to raise rates. We have experienced cutbacks in every form and Duke has not kept up their end of their contract in this area. This spring we had 7 power outages in 6 weeks - due to trees down across line after storms. However if Duke had kept up with tree trimming policies this would not have happened!

Everyone has money issues - if they manage their business better then they can still be profitable. It is not like we have any other choice in power suppliers!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

no - out of town at that time
